Agenda Item No. 8(F)(3)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Extend Prequalification Pool No. 1001-5/15-5,
Hauling of Bulk Materials

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request to extend *Prequalification Pool No. 1001-5/15-5, Hauling of Bulk Materials*, for five (5) additional years. No additional allocation is being requested for the extension period as the user departments have sufficient existing allocations for these services. This pool was established on November 1, 2009 for a one-year term, with five (5) one-year options to renew for the removal and hauling of coarse aggregates (e.g., stone, rock, sand, and asphalt) and bulky debris (bushes) from various pickup sites to a dumpsite. The pool allows County departments to source each project to meet operational needs at any given time while enhancing competition.

The requirements and terms and conditions of the pool would not change if a replacement solicitation were to be issued. It is anticipated that the same vendors would prequalify for the replacement solicitation. Additional qualified vendors may be added to the pool at any time during the term of the pool, subject to bi-annual ratification by the Board. This prequalification pool will remain advertised on the County's Procurement Management Services website to encourage additional participation. Outreach to registered firms was conducted to increase the number of prequalified firms. Five (5) firms have been added to the pool since its inception. All of the pool vendors are local firms, of which two (2) are certified Small Business Enterprises. The pool term was extended administratively for three (3) months to April 30, 2016, enabling sufficient time to acquire approval to extend the pool for an additional five (5) years. It is in the County's best interest to modify the existing pool for an additional five-year period so departments are able to purchase bulk material removal and hauling services.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The pool is currently in its final option to renew term, which expires on April 30, 2016, and has an existing allocation of \$600,000. The pool's total allocation for six (6) years, three (3) months is \$2,745,500.
